"Four Flex allows me to keep up with my prayers, especially on a Friday. I can come into the office early and head to the mosque at lunch in time for my Friday prayers, then finish off the remainder of my work from home"

Hamza Bhimani
Recruitment Consultant

"Four Flex gives me the freedom to work when and where I am most effective, and maximise my work life balance in the process. It demonstrates Four's consistency in ensuring their employees are happy and valued"
